

SHORELINE SPOT LITE

It's Planting Season!

Springtime is upon us, which means it's time to get started on seeds and prepare your shoreline for planting! Be sure to reference our [Native Shoreline Plants of the Atlantic Region](#) resource to familiarize yourself with the best species for your shoreline.

If you're looking for seeds and plants, find a local business near you:

- [Baldwin Nurseries](#)
 - 500 Mines Rd, Falmouth

- [Lakeland Plant World](#)
 - 909 Main St, Westphal

Upcoming Training Opportunities

Email transcoastaladaptations@smu.ca to register for any of the following sessions:

Level 1: May 2nd - 9am-4pm
 Lake Milo Aquatic Club
 Hosted by Yarmouth Recreation

Level 1: Saturday, May 18 - 9am-4pm
 Riverport Community Centre
 Hosted by the Kingsburg Coastal Conservancy (KCC)
Registration is full. Email transcoastaladaptations@smu.ca to be added to the waiting list for a second training date with KCC!

Level 1: Date TBD - 9am-4pm
 Sable River Community Hall
 Hosted by the Pemsik Mawa'tasikl Anko'tmu'kl Project

Interested in hosting a training session in your community? TransCoastal Adaptations can currently run Level 1 training for free in the communities of Pictou County, West Hants, the Kespukwitk/Southwest Nova Priority Place, and Halifax Districts 2 and 11. Reach out to transcoastaladaptations@smu.ca to express interest!
