

SHORELINE SPOT LITE

Green Shores Training Opportunities

Our next Green Shores training opportunities are upcoming in January and February! Level 1 will take place on January 12th at Saint Mary's University from 9am - 4pm. Level 2 will take place on February 1st and 2nd at Saint Mary's University and is only available for anyone who's already taken Level 1. Another Level 1 opportunity will be available February 28. Space is limited to 20 participants for each session. **Register by emailing transcoastaladaptations@smu.ca** with your name, contact info, and which session you are registering for.

Call for Homeowners

TransCoastal Adaptations is offering free shoreline assessments for five waterfront home, cottage, or property owners in Pictou County, West Hants, and the Kespukwikt-Southwest Nova Priority Place. These assessments will inform project designs for shoreline protection and rehabilitation. Applicable for both **lakefront** and **ocean front** properties. Visit transcoastaladaptations.com/call-for-green-shores-sites to learn more!
